Our venues

Gallery Room

Ideal for weddings, meetings, and conferences, our stylish Gallery Room is designed for special occasions. The main banquet area seats up to 120 people, depending on your layout specifications. It features an open, bright, and modern look that takes advantage of the seasonal views from large picture windows. It comes fully equipped with built-in audio/visual equipment and full amenities to readily accommodate your needs.

For 2018, the Gallery Room requires a \$2,000 room rental and a \$6,500 minimum food and beverage expenditure. If you choose a wedding date in our off-season—January 1 through April 30 or November 1 through December 30—the food & beverage minimum is \$5,500.

Private Dining Room

Our Private Dining Room can be converted into an elegant, quiet setting for you and your bridesmaids to relax and pamper yourselves on your wedding day. Away from the main restaurant, it allows you the privacy and comfort you need. The space is also perfect for business meetings, and provides the same excellent food, drink, and service. To help ensure a productive meeting, the room is also wired for audio/visual presentations. Rental is \$450.

Muse Restaurant/Bar/Terrace Patio (available weekends)

In this area, you'll find large picture windows with panoramic views, a stylish bar, and an outdoor setting ideal for a breath of air or just a chance to socialize in a quieter place. It's a perfect way to complement your event by using every part of the Muse at Sentry floor space, while adding seating for another 40–50 people. The rental fee for this venue is \$1,500.

Pergola

The Pergola is located north of the SentryWorld building and is adjacent to Muse at Sentry. Nestled among a grove of large, mature trees, the Pergola resembles the main building with large wooden beams you can decorate or leave as-is for a beautiful backdrop. A large, raised platform offers level space for tables and chairs, with room on the grass to the sides and back for more seating. The area is equipped with electricity and is staked out with concrete footings for a 40-by-80-foot tent if you choose to rent one (separate fee). The charge for this site is \$1,000 and includes an inclement weather back-up space, 200 chairs, sound system, and set-up and tear-down.

Food and beverage minimum expenditures

We do require a minimum amount spent on food or beverage choices for your guests throughout your wedding day and evening. If the minimum is not met, the difference will be charged as additional room rental.

Service charge and taxes

There is a 20% service charge added on to your total food and hosted beverage bill. We also apply a 5.5% sales tax to your room rental and total food and service charge.

Food and drink

We pride ourselves on providing a unique and artistic dining experience. That's where our specialties shine. Our prime wet- and dry-aged steaks are carefully cured to be among the most flavorful and tender you'll ever experience. Then, there's our unique hand-rolled pasta and a selection of exquisite seafood options. Our chef will work diligently with you to create a customized menu that's as special as the day you're celebrating.

Dinner pricing varies depending on your meal service and options. Please note that food and beverage prices are subject to change, but we do guarantee your quote at least 60 days out from your wedding.

We customize our bar service and set-up based on your requests. And your beverage costs—excluding cash bar services—do count towards your food and beverage minimum expenditure.

Personal service

Our goal is to build lasting relationships. That's why we offer you one-on-one support from our Wedding Event Coordinator to help you plan and manage all of your details—including menu and bar choices, service choices, agenda, and room layouts.
